

## IN LOVING MEMORY OF OUR BELOVED FOUNDER

## LATE SHRI TARA CHAND SHASTRI JI

ॐ भूर्भुवः स्वः तत्सवितुर्वरेण्यं । भर्गो देवस्य धीमहि धियो यो नः प्रचोदयात् ।

ॐ शान्तिः शान्तिः शान्तिः

“HE DID NOT JUST LAY BRICKS FOR SCHOOLS—HE LAID FOUNDATIONS FOR LIVES. HE DID NOT MERELY DREAM OF FUTURES—HE CREATED LEGACIES.”

With heavy hearts, we honor a visionary whose quiet dedication to learning has left a lasting legacy of compassion, understanding, and opportunity for all.

He was more than a founder; he was the heart and soul of the Meerut Public School Group. With unwavering commitment and limited resources, he laid the foundation of an institution that now touches the lives of thousands. His dream was to create a space where education was not just about books, but about character, values, and the holistic development of young minds—a dream that has become a living legacy.

He envisioned an education that nurtured not only intellect but also character. His emphasis on shlokas, poems, and the richness of language

01 January 1941 – 10 January 2025

**Founder Chairman**  
Meerut Public School Group

helped shape students who excelled academically and culturally. Today, Meerut Public School Group alumni shine in fields such as IIT, IIM, NIT, NID, civil services, and the armed forces, proudly carrying forward the values he instilled in them.

Under his visionary leadership, the Meerut Public School Group has flourished over the years, becoming synonymous with excellence. From humble beginnings to a dynamic group of institutions, his values have remained the guiding light at every milestone. His principles continue to echo in the classrooms, corridors, and countless success stories that emerge from the Meerut Public School Group fold each year.

Though he is no longer with us, his vision still shapes our path. His values are reflected in our daily efforts, achievements, and in the strong foundation on which the Meerut Public School Group stands today. We remain committed to carrying his legacy forward with dedication and pride.

We are eternally grateful for your unwavering support and love, which have been the foundation of our life. Your sacrifices have allowed us to pursue our dreams and achieve our goals.

Shradhapuri Phase II, NH-58, Delhi Bypass Road, Meerut

Mrs. Ritika Mahajan  
Principal

### EMPOWERING MINDS, ACHIEVING EXCELLENCE: OUR ACADEMIC JOURNEY

At Meerut Public School, Shradhapuri Phase-II, academic excellence is not just a goal—it is a continuous journey driven by innovation, reflection, and student-centric learning.

As we continue our journey of academic excellence, we remain committed to evolving with the changing educational landscape. Through innovative assessments, dynamic pedagogy, and a vision aligned with NEP 2020, Meerut Public School, Shradhapuri PH-II stands tall as a beacon of quality education and student empowerment. We believe in not just preparing children for exams, but for life.

### A PROGRESSIVE ASSESSMENT FRAMEWORK

In keeping with the latest CBSE guidelines and the vision of the National Education Policy (NEP) 2020, we have adopted a more inclusive, analytical, and competency-based assessment model. Our academic framework is now an integrated blend of:

**Formative Assessments (FA):** Conducted regularly throughout the term, these assessments encourage students to reflect, analyse, and grow. They involve creative activities, oral discussions, projects, and class participation—fostering critical thinking and collaboration.

**Summative Assessments (SA):** These structured evaluations at the end of each term assess students' cumulative understanding, aligning with academic standards while ensuring preparedness for future challenges.

**Open Door Assessments:** A unique addition to our academic toolkit, Open Door assessments are diagnostic tools that help us identify learning gaps and address them through targeted teaching. These assessments focus on conceptual understanding and problem-solving, resonating with the NEP's vision of a shift from rote to real learning.

### CELEBRATING ACADEMIC ACHIEVEMENTS

Our students continue to shine across all levels, consistently achieving excellent results. From securing top ranks to demonstrating remarkable improvement, our learners have made us proud by embracing the joy of learning and setting new academic benchmarks. Innovative Assessment Patterns: FA, SA, and Beyond...

"Our assessments are no longer just about marks—they're about learning, reflection, and growth."

### STUDENT SPEAK: WHAT LEARNING MEANS TO US

"I enjoy formative assessments—they let me show what I know in different ways like role-play and group work!" – Ankit Grade VIII

Open Door assessments are fun! They make me think, not just remember." – Durgesh Rana Grade V

"The teachers help us improve after each test. I feel more confident now." – Astha grade VI

### NURTURING FUTURE-READY LEARNERS

We integrate interdisciplinary learning, promote curiosity-driven exploration, and provide opportunities for real-life application of classroom concepts.

Our academic growth story is not just about high scores—it's about progress, consistency, and self-belief. We celebrate every learner's journey, from the ones who consistently top the charts to those who make steady strides toward improvement. Parents, teachers, and students work as partners in this journey, with regular PTMs, open communication, and progress tracking ensuring every child feels seen, supported, and successful.

### STUDENT ACHIEVEMENT

#### Certificate of Merit: Darshit Shines in Mathematical League

Inter-School Fest, 'Expressive Euphoria: The Fusion of School Education' was organized by Meerut Public School, Pallav Puram, one of our brightest students, Darshit of grade 5th, emerged as a true star. Darshit secured the first position in the highly competitive Mathematical League category, showcasing not only his exceptional skills but also his dedication and passion for mathematics.

This victory is a testament to the strong academic culture at Meerut Public School, SP-II, where students are encouraged to excel in both academics and co-curricular activities. Darshit's success in the Mathematical League is a proud moment for the entire school community, inspiring others to push their boundaries and pursue excellence. We extend our heartiest congratulations to Darshit for his outstanding performance and wish him continued success in all his future endeavors.

#### Vidip Chaudhry Wins Bronze at Inter-School Rink Race Roller Skating Championship

We are proud to announce that Vidip Chaudhry, a student of Class II, clinched the bronze medal in the boys' category (Age Group 8) at the Inter-School Rink Race Roller Skating Championship. The event was held at Aaryans School. Vidip participated in the competition using Quad Skates and showcased excellent skills and determination, bringing glory to our school.

# KARTIK'S TRIUMPH AT THE KICKBOXING CHAMPIONSHIP

Kartik, a student of Grade 7 from Meerut Public School, Shradhapuri, Phase 2, Defence Enclave, has made the school proud by securing the 2nd position in the Kickboxing Championship organized by the Kickboxing Association of Uttar Pradesh (WOKO India). His remarkable achievement showcases not only his talent but also his hard work, determination, and dedication.

The championship, held under the auspices of WOKO India Uttar Pradesh, brought together the best kickboxers from across the region. Kartik's impressive performance, coupled with his disciplined training, helped him outshine his competitors, earning him a well-deserved spot on the podium.

The journey to success wasn't easy, but Kartik's perseverance paid off as he demonstrated his skill, agility, and resilience throughout the tournament.

Kartik's success is a true inspiration for his peers, proving that with dedication and focus, one can achieve greatness in any field. We congratulate Kartik on his exceptional accomplishment and look forward to his continued success in future competitions.

# MAKING EDUCATION MEANINGFUL AT MEERUT PUBLIC SCHOOL

"Tell me and I forget. Teach me and I remember. Involve me and I learn." – Benjamin Franklin

At Meerut Public School, we believe that learning must be active, joyful, and meaningful. Our academic framework is thoughtfully rooted in experiential learning, where students learn by doing, engaging with real-world contexts to develop a deeper and long-lasting understanding of concepts.

## Turning Classrooms into Living Laboratories

Gone are the days when classrooms meant silent lectures and passive note-taking. At MPS, learning spaces are alive with questions, discovery, and activity. Students explore science through experiments, dive into history through role plays, and practice math using hands-on manipulatives.

# TLP & TLM: THE TOOLS THAT POWER OUR PRACTICE

Experiential learning is seamlessly embedded into our Teaching-Learning Process (TLP), guided by child-centric strategies and thoughtfully curated Teaching-Learning Materials (TLMs). From visual aids, models, and games to digital boards and real-life objects (realia), every classroom is equipped to offer a multi-sensory experience that caters to varied learning styles.

Our teachers regularly plan and innovate to align their lessons with the NEP 2020 vision, ensuring that students are not just passive learners, but active participants.

# LEARNING OUTSIDE THE CLASSROOM WALLS

At every grade level, students engage in field-based and skill-based activities:

- A visit to the school infirmary to learn about hygiene and health
- Nature walks in to understand biodiversity
- Real-life simulations like mock markets to explore business and money
- Science exhibitions, debates, and club presentations to develop confidence and collaboration

These experiences foster deeper learning and strengthen their connection with real-life applications.

Learning at Meerut Public School is not a mere strategy – it is a mindset. A mindset that nurtures active learners, critical thinkers, and compassionate citizens. We are proud to empower our students to think, explore, reflect, and grow – because when learning comes alive, it stays for life.

# FIRST AID & SAFETY WORKSHOP

"Equipping Teachers with Life-Saving Skills: A Step Towards a Safer, More Prepared Learning Environment"

Our school recently organized an enriching session on "First Aid and Safety" conducted by our dedicated school nurse. This informative session aimed to empower our teachers with essential life-saving skills, preparing them to act swiftly and confidently in emergencies.

The workshop began with a detailed overview of "basic first aid" principles, where teachers learned how to handle situations like cuts, burns, fainting, and sprains. The school nurse demonstrated practical techniques, such as bandaging, wound cleaning, and the "Heimlich maneuver" for choking, encouraging teachers to practice these methods with confidence. This hands-on approach not only reinforced essential knowledge but also enhanced teachers' readiness to respond effectively in various situations.

A vital part of the session also covered "safety protocols" and emergency response procedures within the school environment. Teachers discussed preventive safety measures, emergency evacuation plans, and how to identify potential hazards in classrooms. This training ties in seamlessly with NCF's focus on real-life skills and a safe, supportive learning space.

Furthermore, teachers learned about "mental health first aid", where they received guidance on recognizing signs of distress or anxiety among students. This segment fostered awareness about emotional well-being, emphasizing NCF's goal of nurturing a balanced, secure, and caring environment for all learners.

Together, we move forward with the vision of not only educating minds but also empowering lives, creating a resilient and caring community.

# DIWALI PUJAN

On 29th October, Meerut Public School PHII, Defence Colony, celebrated its first Diwali with great devotion and enthusiasm. The event was graced by the esteemed presence of the respected management, adding to the sanctity and joy of the occasion. A special pooja was held, dedicated to Goddess Laxmi and Lord Ganesh, with bhajans and aarti led by students and staff alike. The entire school resonated with the chanting of mantras, creating a soulful and uplifting atmosphere. This memorable celebration marked a beautiful beginning for the school's Diwali festivities, symbolizing prosperity, unity, and blessings for Future.

# CHILDREN'S DAY

**"Empowering Young Minds for a Healthier Tomorrow"**  
Magazine Content:

Children's Day at Meerut Public School was celebrated with a unique focus on health and wellness. The event featured Dr. Umang Arora as the guest speaker, who guided students on embracing a healthy lifestyle with the simple yet effective 5210 formula – 5 servings of fruits and vegetables, 2 hours or less of screen time, 1 hour of physical activity, and 0 sugary drinks.

Organized in association with The Times of India, the session also encouraged natural sugar intake, with jaggery distributed to all students as a step toward adopting healthier eating habits.

The informative session was graced by the Managing Director and students from other branches, adding to its success. This memorable celebration left the students inspired to prioritize their health and well-being.

# THE JUNGLE BOOK

School Hosts Spectacular English Play "The Jungle Book" with a Message of Acceptance and Belongingness

Our school proudly staged an English play, "The Jungle Book", on 20 Th December where students brought to life the timeless tale of Mowgli and his adventures in the jungle. The play beautifully conveyed the profound messages of acceptance and belongingness, reminding the audience of the importance of embracing differences and finding unity in diversity. The event was graced by the presence of Mr. Sandeep Rai, Bureau Chief, The Times of India, and Brig. KPS Sirohi (Retd.), along with the esteemed members of our management Respected Vikramjeet Singh Shastri sir and Ketki Singh Shastri ma'am. Their presence added grandeur to the occasion, and their words of wisdom and encouragement deeply motivated both students and parents alike. Through vibrant costumes, soulful dialogues, and captivating performances, the students demonstrated exceptional teamwork and creativity, leaving the audience spellbound. The play also highlighted the school's commitment to experiential learning, allowing students to learn beyond the classroom through hands-on activities, role-play, and collaborative efforts.

The overwhelming response from parents and students is a testament to the success of the event. Our school remains committed to nurturing well-rounded individuals who are prepared for the challenges of the modern world while remaining grounded in values of unity and respect.

Together, we continue our journey "To Greater Heights."

# CUP CAKE WORKSHOP

A special culinary workshop was conducted by Ms. Garima Mittal from The Cake Factory, where children learned the art of baking and decorating cupcakes. The session was brimming with creativity, enthusiasm, and delightful aromas, making it an unforgettable experience for the students.

The children were overjoyed as they explored the world of confectionery art, crafting their own edible masterpieces with colorful frostings and sprinkles. It was a hands-on, engaging, and enriching activity, seamlessly blending fun and learning.

This activity aligned experiential learning and skill development. It encouraged the students to develop their motor skills, creativity, and teamwork, while fostering a deeper appreciation for the culinary arts.

The vibrant energy of the session, coupled with the students' infectious laughter and excitement, made the day truly memorable and impactful.

# SARDHANA CHURCH

### Visit to Sardhana Church: A Lesson in History, Culture, and Values

Students of Grades 6 to 8 had a memorable educational trip to the Basilica of Our Lady of Graces in Sardhana, a place rich in historical and cultural significance. The visit provided an opportunity to learn about the architectural marvels of the church, built in the 18th century by Begum Samru, and its role in fostering interfaith harmony. Students were fascinated by the intricate design, the serene atmosphere, and the stories of compassion and service associated with the church.

The visit enabled students to connect classroom knowledge of history, art, and moral values with real-world experiences, fostering critical thinking, cultural awareness, and emotional intelligence.

By observing the church's inclusive ethos and its historical relevance, students developed a deeper appreciation of India's diverse heritage and the importance of unity in diversity.

The visit was not just an excursion but a journey into the past that inspired students to carry forward the values of harmony and mutual respect in their lives.

# WOMEN'S DAY

Tagline: "Celebrating Strength, Honoring Grace, Inspiring Respect."

International Women's Day was celebrated with a heartfelt tribute to the incredible women in our lives. Our young learners expressed their love and gratitude by crafting beautiful clay flowers for their mothers and sisters, symbolizing strength, beauty, and resilience.

To inspire and educate, students watched short films showcasing the achievements of remarkable women who have left an indelible mark on the world. Through engaging discussions, they were also sensitized about the importance of respecting and valuing women in all aspects of life.

# GRADUATION CEREMONY

### Little Steps Towards a Bright Future!

A heartwarming Graduation Day Ceremony was held for our Balvatika 3 students, celebrating their joyful journey of learning and growth. The young graduates were awarded certificates highlighting their unique attributes and achievements. With smiles and dreams in their eyes, they stepped forward, ready to embrace new adventures. The day was filled with pride, joy, and best wishes for their bright future ahead!

"Every great journey begins with a small step – wishing our little stars success in all they do!"

# ENGLISH RECITATION COMPETITION (BALVATIKA)

### "Rhymes, Rhythm & Radiance: A Poetic Journey of Our Little Stars!"

An English Poem Recitation Competition was organized for the students of Balvatika 1, 2, and 3, where our little poets mesmerized everyone with their expressive and confident recitations. The event was a delightful blend of rhythm, creativity, and imagination, as the children beautifully recited poems using engaging props.

The competition not only enhanced their pronunciation, vocabulary, and expression but also fostered a joyful learning environment where students learned through play and performance. Each participant received a certificate of appreciation, celebrating their efforts and enthusiasm.

# SUBHASH CHANDRA BOSE JAYANTI

### MPS-SPII Students Join Mega Human Chain on Netaji Subhash Chandra Bose Jayanti

On Netaji Subhash Chandra Bose Jayanti, Meerut Public School (MPS) students participated in a grand human chain at Bhama Shah Park as part of Road Safety Month. Organized by the District Administration, Transport and Traffic Police Departments, Mishika Society Road Safety Club, and the Secondary Education Department, the event aimed to promote unity and road safety awareness.

ADG Shri Dhruv Kant Thakur (IPS) administered the oath to esteemed officials, including Dr. Hrishikesh Bhaskar Yashoda (IAS), DIG Shri Kalanidhi Nathani (IPS), Dr. VK Singh (IAS), SSP Shri Vipin Tada (IPS), CDO Smt. Nupur Goyal (IAS), along with students and teachers.

MPS students' active participation in this significant initiative highlighted their commitment to social responsibility and patriotism, paying tribute to Netaji's ideals of courage and leadership.
