- The severe impact of Corona in the Session 2021-22 affected many families, and we hope and pray that all our students, staff and parents are safe and vaccinated. We also take this opportunity to express our deep condolences for all the lives lost in this dreadful pandemic. We are committed to provide a safe and congenial environment for online classes via Google Classroom, the focus being the mental, physical and emotional well being of our students. We appreciate the recent Government's directives received which states that the fee of 2020-21 needs to be charged in the session 2021-22 without any increase.
- For contactless and cashless transaction, kindly use the parent's ERP application (QUICKSCHOOL PARENT APP) to submit the fee ONLINE only.
- Parents may pay on Monthly basis / Quarterly basis or Yearly basis as per their convenience.
