GRADUATION DAY

"Graduation is a time to celebrate new beginnings and say goodbye to everything that has given you a reason to smile. It is a celebration of warm memories of the past and big dreams for the future."

To celebrate the progression and development of Kindergarten students of Meerut Public School, Pallavpuram, the Graduation Day was celebrated on 23rd February 2024 to applaud the young and enthusiastic learners for their commendable performance in the session 2023-2024.

The programme began with the lamp lighting ceremony, Welcome song and Welcome Dance by the budding stars. The tiny tots left everybody spellbound as they danced on the tunes of some vibrant music displaying breathtaking colors with coordinated movements. This was followed by the distribution of Kindergarten Diploma and goodie bags to the students of Grades U.K.G.
